## **Nuclear Reactors, Materials, and Waste Sector**

3. ***January 13, Barre Montpelier Times Argus*** – (Vermont) **Fuel removed from Yankee reactor.** The U.S. Nuclear Regulatory Commission stated January 12 that the 368 fuel assemblies in the reactor core of the Vermont Yankee nuclear power plant in Vernon were transferred to the facility's spent fuel pool, the first major step in the decommissioning of the 620 megawatt power plant.  
Source: <http://www.timesargus.com/article/20150113/NEWS03/701139905>
4. ***January 9, WAMC 90.3 FM Albany*** – (New York) **Cold weather leads to Indian Point 3 alarm failure.** The operators of the Indian Point nuclear power plant in Buchanan began a temporary, partial shutdown of the Unit 3 reactor January 8 after cold weather caused two sets of low-low water level indicators in the plant's refueling water storage tank to cease functioning. One of the indicator lines was unfrozen and returned to service and operators have 7 days from the incident to restore the other alarm or else shut down the reactor.

## **Transportation Systems Sector**

6. *January 13, Fox News; Washington Post; Associated Press* – (Washington, D.C.) **NTSB investigating after smoke at Washington Metro station kills 1, injures 84.** The National Transportation Safety Board is investigating the cause of smoke that filled the L’Enfant Plaza subway station in Washington D.C. January 12 and caused the death of 1 person and injuries to 84 others, many of whom were aboard a Yellow Line train that stopped suddenly and began to fill with smoke after departing the platform.  
Source: <http://www.foxnews.com/us/2015/01/13/smoke-at-lenfant-plaza-station/>
7. *January 13, WABC 7 New York City* – (New York) **Fire at Penn Station ruled accidental, blamed on electrical wiring.** A fire at a construction site in Penn Station in New York City caused delays and cancellations January 13 on the Long Island Rail Road and A, C, and E subway lines. The fire was ruled accidental and attributed to temporary wiring used in lighting the construction site.  
Source: <http://7online.com/traffic/fire-at-penn-station-may-delay-cancel-lIRR-service/472879/>
8. *January 12, Hudson Register Star* – (New York) **Overturned truck, leaking oxygen tanks close Route 22.** A medical supply box semi-truck belonging to T&C Flynn’s Pharmacy in Massachusetts and carrying carbon dioxide tanks overturned in Hillsdale, New York, closing Route 22 for approximately 5 hours January 12.  
Source: [http://www.registerstar.com/news/article\\_68ece73e-9abd-11e4-8c11-c759e99a9ff9.html](http://www.registerstar.com/news/article_68ece73e-9abd-11e4-8c11-c759e99a9ff9.html)
9. *January 12, WVEC 13 Hampton* – (Virginia) **Jet Blue aircraft makes emergency**

**landing in Norfolk.** A JetBlue plane with 93 passengers headed from Tampa, Florida, to Hartford, Connecticut, was diverted to Norfolk International Airport in Virginia January 12 due to fumes in the cockpit of the Embraer aircraft. Another plane was sent to transport passengers to their original destination.

Source: <http://www.13newsnow.com/story/news/local/mycity/norfolk/2015/01/12/jet-blue-aircraft-to-make-emergency-landing-in-norfolk/21654367/>

10. **January 11, WCVB 5 Boston** – (Massachusetts) **Crash closes Route1A in east Boston in both directions.** An accident occurred in Boston involving an impaired semi-truck driver on Route 1A that took down utility lines and closed the roadway for approximately 12 hours while crews worked to repair the downed power lines and traffic lights January 11.  
Source: <http://www.wcvb.com/news/route-1a-in-east-boston-closed-in-both-directions/30648062>

11. **January 11, Colorado Springs Gazette** – (Colorado) **Deadly crash spills hundreds of gallons of diesel fuel, closes highway.** U.S. Route 50 in Bent County was closed for several hours January 11 when a semi-truck carrying diesel spilled its contents onto the road after it crashed into two delineator posts and overturned. The Colorado State Patron Hazardous Material Team was dispatched to clean the hundreds of gallons of diesel spilled.

Source: <http://gazette.com/deadly-crash-spills-hundreds-of-gallons-of-diesel-fuel-closes-highway/article/1544417>

## **Food and Agriculture Sector**

12. **January 13, Plattsburgh Press-Republican** – (New York) **Hundreds of cows farmed out after fire.** A fire gutted the milking parlor at Bubbins Farm in Beekmantown January 10 forcing the temporary relocation of more than 700 cows to 10 area farms. Part of the structure was demolished to help control the fire that remains under investigation.

Source: [http://www.pressrepublican.com/news/local\\_news/hundreds-of-cows-farmed-out-after-fire/article\\_556e2f4d-4bc5-5ade-8524-5e780d773eec.html](http://www.pressrepublican.com/news/local_news/hundreds-of-cows-farmed-out-after-fire/article_556e2f4d-4bc5-5ade-8524-5e780d773eec.html)

13. **January 13, Orange County Register** – (California) **Tainted Three Kings Day bread may have sickened 10 more in Mission Viejo.** Preliminary lab results found a synthetic drug in a holiday bread after 40 individuals were sickened after consuming rosca de reyes holiday bread from Cholula's Bakery in Santa Ana. Police are investigating at least 10 additional reports of illness that may be connected to the tainted bread which was distributed to 9 stores in Orange County and one in Long Beach.

Source: <http://www.ocregister.com/articles/bread-647897-police-mission.html>

14. **January 13, U.S. Department of Agriculture** – (Connecticut; Massachusetts; New York) **New York firm recalls beef product due to misbranding and undeclared allergens.**

US Foods issued a recall January 12 for about 700 pounds of beef fajita strip products after the company was alerted by the U.S. Food and Drug Administration that cumin in a spice mix used to produce the beef products may have been contaminated with peanut residue. The recalled product was shipped to US Foods divisions in Connecticut, Massachusetts, and New York.

Source: <http://www.fsis.usda.gov/wps/portal/fsis/topics/recalls-and-public-health-alerts/recall-case-archive/archive/2015/recall-007-2015-release>

15. **January 12, U.S. Food and Drug Administration** – (National) **Spice N' More issues allergy alert on undeclared peanuts in cumin powder "Casablanca", "Salma", "Spice Class", "La Mina", "Leader Meret", "All Island Spice", "Key Food" and "H Harvest".** The U.S. Food and Drug Administration reported January 12 that Spice N' More Corp., recalled multiple sizes of various cumin powder products due to undeclared peanuts. The affected products were distributed to wholesale and retail stores in several States.

Source: <http://www.fda.gov/Safety/Recalls/ucm429830.htm>

16. **January 12, U.S. Food and Drug Administration** – (National) **La Flor Products Co., Inc. is issuing an allergy alert on undeclared peanuts in "La Flor-Ground Cumin".** The U.S. Food and Drug Administration reported January 12 that La Flor Products Co. Inc., recalled its La Flor-Ground Cumin after a supplier notified the company that the product contained traces of undeclared peanut. The recall includes 2-ounce, 6-ounce, and 5-pound jars of the product that were sent to retailers in multiple States.

Source: <http://www.fda.gov/Safety/Recalls/ucm429870.htm>

17. **January 12, U.S. Food and Drug Administration** – (National) **Zenobia Company LLC. issues allergy alert on undeclared peanut protein in "My Spice Sage Cumin Ground".** The U.S. Food and Drug Administration reported January 12 that Zenobia Company LLC. issued a recall for multiple size packages of its MY Spice Sage Cumin Ground after a supplier notified the company that the Cumin Ground unknowingly contained peanut protein that was not declared on the product's labels. The product was distributed nationwide via online mail orders between July 2014 and January 8.

## **Water and Wastewater Systems Sector**

18. **January 13, WMAQ 5 Chicago** – (Illinois) **Boil advisory issued after Highwood water break.** Residents of Highwood were issued a boil advisory January 13 till January 14 after a water main break occurred at Sheridan Road and Webster Avenue January 12.  
Source: <http://www.nbcchicago.com/news/local/Entire-City-of-Highwood-Out-of-Water-After-Main-Break-288350851.html>

19. **January 12, WJLA 7 Washington, D.C.** – (Washington D.C.; Virginia) **Water main**

**breaks plague D.C. area in cold weather.** Several water main breaks occurred in the Washington D.C. and northern Virginia region due to old pipes and cold weather January 12, with one break affecting at least 40 homes, 2 businesses, and 1 apartment building in Washington D.C., while another break occurred on Interstate 66 in Fairfax, Virginia.

Source: <http://www.wjla.com/articles/2015/01/water-main-break-closes-one-lane-on-main-st-in-fairfax-110492.html>

20. **January 12, WVGA 105.9 FM Lakeland – (Georgia) Flooding creates sewage overflow into creek.** The Valdosta Utilities Department identified a sanitary sewage manhole overflow in Valdosta January 12 caused by heavy rains that released an estimated 3,400 gallons of sewage water into the One Mile Branch. The area around the spill was cleaned and disinfected, and the public was advised to avoid any contact with water in the area.

Source: <http://valdostatoday.com/2015/01/valdosta-flooding-creates-sewage-overflow-into-creek/>

21. **January 11, Oneonta Daily Star – (New York) Boil-water notice issues for Davenport.** Boil water advisory was issued for the Davenport, New York water district January 11 after a malfunction at the pump house caused by frozen pipes.

Source: [http://www.thedailystar.com/boil-water-notice-issued-for-davenport/article\\_409f7af0-99f3-11e4-aae5-b7db4692daf1.html](http://www.thedailystar.com/boil-water-notice-issued-for-davenport/article_409f7af0-99f3-11e4-aae5-b7db4692daf1.html)

22. **January 11, Cleveland Plain Dealer – (Ohio) Cleveland Water to replace 8 feet of water main in Little Italy.** The Cleveland Water Department announced that it will replace 8 feet of a 24-inch water main pipe that broke January 9 in the Little Italy area of Cleveland and spilled thousands of gallons. Work was expected to be completed January 11 with no service interruptions.

Source:

[http://www.cleveland.com/metro/index.ssf/2015/01/cleveland\\_water\\_to\\_replace\\_8\\_f.html](http://www.cleveland.com/metro/index.ssf/2015/01/cleveland_water_to_replace_8_f.html)

[\[Return to top\]](#)

## **Healthcare and Public Health Sector**

23. **January 12, WFMZ 69 Allentown – (Pennsylvania) Former Lehigh County Prison doctor pleads guilty to defrauding IRS.** The former medical director of Lehigh County Prison in Pennsylvania pleaded guilty January 12 to defrauding the Internal Revenue Service (IRS), the U.S. Department of Education, and the U.S. Department of Health and Human Services out of hundreds of thousands of dollars and was ordered to pay a fine up to nearly \$2.9 million and restitution to the victims. The former medical director tried to defraud the IRS to avoid paying over \$200,000 in personal income taxes, filed false applications to the U.S. Department of Education for financial aid for his four children, and tried to file a fraudulent claim for Social Security disability benefits.

## **Government Facilities Sector**

25. **January 13, WBBH 20 Fort Myers** – (Florida) **Minor injuries reported after school bus crash on SR-82.** Three children were injured in an accident involving a Lee County School District bus on State Route 82 and Cranford Avenue in Fort Myers January 13. The remaining students were transported to Tanglewood Elementary once the bus was released from the accident scene.  
Source: <http://www.nbc-2.com/story/27835176/crash-involving-school-bus-on-sr-82-cranford-avenue>
26. **January 12, Washington Examiner** – (National) **Thousands of critical government buildings face high risk of cyberattacks.** The U.S. Government Accountability Office released a report January 12 detailing how systems that control and allow access to elevators, lights, ventilation, and fire alarms in federal buildings are vulnerable to cyberattacks that could compromise security due to functions like air conditioning, closed-circuit TV surveillance, and door locks that have become more automated and centralized.  
Source: <http://www.washingtonexaminer.com/thousands-of-critical-government-buildings-face-high-risk-of-cyberattacks/article/2558542>
27. **January 12, Washington Post** – (International) **U.S. military social media accounts apparently hacked by Islamic State sympathizers.** The U.S. Central Command (CENTCOM) announced January 12 that its military networks were not compromised and there was no operational impact to CENTCOM after hackers claiming allegiance to the Islamic State took control of CENTCOM's Twitter and YouTube accounts posting threatening messages and propaganda videos, along with military documents. Both accounts were taken offline and authorities are investigating.  
Source: <http://www.washingtonpost.com/news/checkpoint/wp/2015/01/12/centcom-twitter-account-apparently-hacked-by-islamic-state-sympathizers/>
28. **January 12, Pasadena Citizen** – (Texas) **Fire disrupts classes at Pasadena elementary school.** Students from Jensen Elementary School in Pasadena, Texas, were

evacuated for more than 3 hours January 12 after a portable building on the campus caught on fire and was severely damaged. Crews contained the fire and afternoon pre-kindergarten classes were cancelled.

Source: [http://www.yourhoustonnews.com/pasadena/news/fire-disrupts-classes-at-pasadena-elementary-school/article\\_5a3bf774-4306-511f-a092-53fd3222b2cd.html](http://www.yourhoustonnews.com/pasadena/news/fire-disrupts-classes-at-pasadena-elementary-school/article_5a3bf774-4306-511f-a092-53fd3222b2cd.html)

29. ***January 12, Huntington Beach Independent*** – (California) **Lockdown lifted at H.B.'s Edison High after bomb threat; students back in class.** Students were evacuated from Edison High School in Huntington Beach for approximately 3 hours January 12 due to an emailed bomb threat. Police searched the campus and cleared the scene after nothing suspicious was found.  
Source: <http://www.hbindependent.com/news/tn-hbi-me-0115-edison-bomb-threat-20150112,0,956545.story>
30. ***January 12, WXIX 19 Newport*** – (Ohio) **Power outage forces high school to dismiss early.** Northwest High School in Cincinnati was forced to dismiss students early January 12 due to a power outage caused by a squirrel in the Forest Park substation that knocked out service to more than 3,000 people for several hours.  
Source: <http://www.fox19.com/story/27828327/power-outage-forces-high-school-to-dismiss-early>

[\[Return to top\]](#)

## **Emergency Services Sector**

31. ***January 12, WSAV 3 Savannah*** – (Georgia) **Probation office evacuated during bomb scare.** The Savannah Parole and Probation office in Georgia was evacuated for more than 3 hours January 12 due to a suspicious device that was found in the bathroom of the building. A bomb squad cleared the scene after determining the device did not pose a threat and removed it from the facility.  
Source: <http://www.wsav.com/story/27828023/probation-office-evacuated-during-bomb-scare>
32. ***January 12, KHOU 11 Houston*** – (Texas) **Fire truck reported stolen in northwest Harris County.** Authorities are searching for a thief who stole a fire truck and about \$75,000 worth of medical equipment from the Rosehill Fire Department in Tomball January 12.  
Source: <http://www.khou.com/story/news/local/2015/01/12/fire-truck-reported-stolen-in-northwest-harris-county/21655587/>
33. ***January 11, WHNS 21 Greenville*** – (North Carolina) **Phone outage in McDowell Co. affecting emergency lines.** A phone outage occurred in McDowell County affecting emergency services' cell and land lines January 11, and residents were advised to report emergencies to an alternate number. Officials located the problem in Asheville and were working to fix the issue.

Source: <http://www.foxcarolina.com/story/27820816/phone-outage-in-mcdowell-county-affecting-emergency-lines>

[Return to top]

## **Information Technology Sector**

34. *January 13, Securityweek* – (International) **Google discloses new unpatched Windows 8.1 privilege escalation flaw.** Researchers with Google disclosed a privilege escalation flaw in Windows 8.1 January 11 and released a proof of concept (PoC) for the vulnerability. Researchers confirmed that the vulnerability also affects Windows 7.  
Source: <http://www.securityweek.com/google-discloses-new-unpatched-windows-81-privilege-escalation-flaw>
35. *January 13, Securityweek* – (International) **Unpatched security flaws impact Corel software products.** Core Security researchers released information on DLL hijacking vulnerabilities that could allow attackers to execute arbitrary commands in Corel DRAW, Photo Paint X7, PaintShop Pro X7, CAD 2014, Painter 2015, PDF Fusion, VideoStudio Pro X7, and Fast Flick products. The researchers initially identified and reported the vulnerabilities in December.  
Source: <http://www.securityweek.com/core-security-discloses-security-vulnerabilities-corel-software-products>
36. *January 13, Softpedia* – (International) **Wall charger steals keystrokes from Microsoft wireless keyboards.** A security researcher developed a device dubbed KeySweeper that is a wall charger modified to intercept and transmit keystrokes from a nearby Microsoft keyboard using an RF chip, the keyboard's communications frequency, and a 2G SIM card with SMS support.  
Source: <http://news.softpedia.com/news/Wall-Charger-Steals-Keystrokes-from-Microsoft-Wireless-Keyboards-469851.shtml>
37. *January 13, The Register* – (International) **Crayola red-faced after yellow-belly Facebook hijackers post blue jokes.** Crayola stated that it regained control of its Facebook account January 11 after unknown attackers took control of it and posted inappropriate content.  
Source:  
[http://www.theregister.co.uk/2015/01/13/facebook\\_hackers\\_work\\_blue\\_on\\_crayola\\_coloring\\_page/](http://www.theregister.co.uk/2015/01/13/facebook_hackers_work_blue_on_crayola_coloring_page/)
38. *January 13, The Register* – (International) **Insert ‘Skeleton Key’, unlocks Microsoft Active Directory. Simples - hackers.** Dell SecureWorks researchers identified a piece of malware known as Skeleton Key that can bypass authentication on Microsoft Active Directory (AD) systems, allowing attackers to authenticate as any corporate user. The malware must be redeployed when a domain controller is restarted and requires domain administrator credentials for initial deployment.  
Source: [http://www.theregister.co.uk/2015/01/13/skeleton\\_key\\_malware/](http://www.theregister.co.uk/2015/01/13/skeleton_key_malware/)

39. *January 12, Securityweek* – (International) **Number of IE vulnerabilities fixed by Microsoft doubled in 2014: Report.** ESET released a report on vulnerabilities closed by Microsoft in 2014 and found that the majority of the vulnerabilities affected the Internet Explorer browser. The report stated that 7 out of 240 security vulnerabilities were zero-days exploited by attackers before they were patched, and that the total number of Internet Explorer vulnerabilities doubled compared to 2013, among other findings.  
Source: <http://www.securityweek.com/number-ie-vulnerabilities-fixed-microsoft-doubled-2014-report>

40. *January 12, The Register* – (International) **Malware coders adopt DevOps to target smut sites.** A researcher with ESET reported that the attackers behind the Windigo malware campaign which infected around 25,000 Unix and Linux servers since 2013 began making several changes to the malware and their targets in response to security researcher efforts to combat the malware, including switching exploit kits and restricting targets to smaller adult content Web sites in order to avoid attention.  
Source:

## **Commercial Facilities Sector**

42. *January 13, Raleigh News & Observer* – (North Carolina) **Raleigh hotel fire blamed on dropped cigarette that ignited mattress.** A January 12 fire at the Raleigh Inn in

North Carolina displaced 87 guests and sent 5 individuals to an area hospital with non-life-threatening injuries. Investigators ruled the fire as accidental and reported that the apparent cause was improperly discarded smoking material.

Source: [http://www.newsobserver.com/2015/01/12/4471252\\_fire-forces-evacuation-of-raleigh.html](http://www.newsobserver.com/2015/01/12/4471252_fire-forces-evacuation-of-raleigh.html)

43. *January 12, Associated Press* – (North Dakota) **Chemical from old safe forces Fargo building evacuation.** A downtown Fargo building that houses 2 businesses and 1 apartment unit was closed January 10 until further notice after a chemical that was stored in an old safe spilled, prompting an evacuation of at least 11 individuals. Cleanup crews were ordered to remove the vial that held the chemical from the safe.  
Source: <http://www.crookstontimes.com/article/20150112/NEWS/150119988/-1/opinion>
44. *January 12, Los Angeles Times* – (California) **Video shows chaotic scene in club where 5 shot during singer's show.** Five people were wounded during a private celebration at Fiesta Nightclub in San Jose January 11 when at least 3 gunshots were fired during a music performance. Police detained several individuals as part of an investigation.  
Source: <http://www.latimes.com/local/lanow/la-me-ln-chris-brown-shooting-20150112-story.html>
45. *January 12, KARK 4 Little Rock* – (Arkansas) **Bomb threat empties Walmart.** A Walmart store in Little Rock was evacuated for about 3 hours January 11 while police investigated a bomb threat that was phoned into the store. Police and a bomb squad from a local airport searched and cleared the scene after nothing suspicious was found.
